## ABOUT CPSI

CPSI is a leading provider of healthcare solutions for community hospitals. Founded in 1979, CPSI has a history of quality service, customer commitment and system performance. Today, CPSI is helping advance community healthcare through the offerings of our two companies – Evident, LLC and TruBridge, LLC.

## ABOUT EVIDENT

Evident is a leading provider of patient centered and community focused electronic health record systems for more than 650 community, rural and critical access hospitals and their 12,000 providers. The company is dedicated to meeting the ever-changing needs of health IT, while optimizing the quality of care for communities in 46 states and the District of Columbia. Thrive, Evident's EHR solution, is a complete information and patient care system from business office to bedside combined with comprehensive implementation and training services. Thrive offers a seamless user experience and advanced workflows that make it an integral part of delivering quality patient care. LikeMind, the company's unique collaborative support model for Thrive, delivers proactive service from its staff of healthcare and business professionals who understand the challenges its customers face and share their dedication to quality healthcare.

## ABOUT TRUBRIDGE

TruBridge helps community healthcare organizations succeed on their path to performance. The company is focused exclusively on providing business, consulting and managed IT services. TruBridge brings years of expertise in delivering effective solutions created for the unique challenges faced by community healthcare organizations.
