

## Product Vision Takes Center Stage at the CPSI 2018 National Client Conference

May 15, 2018

MOBILE, Ala.--(BUSINESS WIRE)--May 15, 2018-- CPSI (NASDAQ: CPSI), welcomes more than 1,300 client attendees, representing hospitals, skilled nursing facilities and clinics from across the U.S. at their annual client conference being held May 14 – 17 in New Orleans.

Headlining the conference are CPSI's vision and go-forward plan for product development and the Company's focus on delivering a superior client experience. The focused and disciplined approach to CPSI's product strategy is centered on offering a shared set of solutions that will drive the greatest impact and value for their clients and the communities and patients they serve. These solutions are grounded in provider adoption, population health, delivering care across the continuum, and efficient financial and business operations.

"This disciplined approach to development, along with frequent and proactive client input, will help in our continued journey to create healthier and more vibrant communities," said Boyd Douglas, president and chief executive officer of CPSI. "The benefits to our customers are clear - a consistent experience, enhanced functionality, faster delivery and higher quality. The integration with the shared set of solutions, regardless of platform, will also ensure the exchange of patient information across care settings."

Clients in attendance this week will also learn first-hand about the efforts already underway to better understand, anticipate and exceed their expectations – not just with products, but with all interactions. Client Experience Management is fundamental to the CPSI strategy aimed at maintaining or improving client loyalty across the CPSI family of companies.

The CPSI National Client Conference also provides ample education opportunities, including key industry topics like telehealth and value-based care. CPSI is pleased to host Terry Hill, Senior Advisor for the National Rural Health Resource Center, and Lynn Barr, CEO of Caravan Health, along with many other industry partners and customers as guest speakers at this year's conference.

### About CPSI

CPSI is a leading provider of healthcare solutions and services for community hospitals, physician clinics plus other healthcare systems and post-acute care facilities. Founded in 1979, CPSI is the parent of four companies – Evident, LLC, TruBridge, LLC, Healthland Inc. and American HealthTech, Inc. Our combined companies are focused on helping improve the health of the communities we serve, connecting communities for a better patient care experience, and improving the financial operations of our customers. Evident provides comprehensive EHR solutions and services for community hospitals and their affiliated clinics. TruBridge focuses on providing business, consulting and managed IT services, along with its complete RCM solution for all care settings. Healthland provides integrated technology solutions and services to small rural and critical access hospitals. American HealthTech is one of the nation's largest providers of financial and clinical technology solutions and services for post-acute care facilities.
