About CPSI

CPSI has over four decades of experience in connecting providers, patients and communities with innovative solutions that support both the clinical and financial side of healthcare delivery. We provide business, consulting, and managed information technology (IT) services, including our industry leading HFMA Peer Reviewed[®] suite of revenue cycle management (RCM) offerings, to help streamline day-to-day revenue functions, enhance productivity, and support the **financial health** of healthcare organizations. Our **patient engagement** solutions provide patients and providers with the critical information and tools they need to share existing clinical data and analytics that support value-based care, improve outcomes, and increase patient satisfaction. We support **efficient patient care** across an expansive base of community hospitals and post-acute care facilities with electronic health record (EHR) product offerings that successfully integrate data between care settings. We make healthcare accessible through data-driven insights that support informed decisions and deliver workflow efficiencies, while keeping patients at the center of care. We are a healthcare solutions company. We clear the way for care. For more information, please visit www.cpsi.com.
