**ITEM 5. OTHER EVENTS****Rule 10b5-1 Trading Plan**

On February 19, 2004, M. Stephen Walker, Vice President—Finance and Chief Financial Officer of Computer Programs and Systems, Inc. (“CPSI”) entered into a written trading plan (the “Plan”) relating to future sales of a part of his shares of CPSI common stock. The Plan is intended to comply with Rule 10b5-1 promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934, as amended. Mr. Walker entered into the Plan in order to diversify his financial holdings. The Plan will also enable him to sell shares over a period of time without significantly affecting the market for CPSI common stock. Under the Plan, Mr. Walker will have no control over the timing of any sales of his CPSI common stock.

The Plan has a term of twelve months and expires on February 19, 2005. During the term of the Plan, the selected broker is authorized to sell up to 5,425 shares of Mr. Walker’s CPSI common stock during each calendar quarter at such times as the broker, in its sole discretion, may select, but only when the per share price of CPSI common stock is equal to or greater than \$22.00. Accordingly, Mr. Walker may sell up to an aggregate of 21,700 shares of his CPSI common stock pursuant to the Plan.
